

2019 School Tax Credit
 CAFA Inc. dba Learning Foundation & Performing Arts
 District Office
 4055 E. Warner Rd., Gilbert, AZ 85296

Dear Friends of Learning Foundation Schools:

The Arizona tax credit program is a unique and important way for supporters of education to donate to school programs. You can now divert up to \$200 (if single) or \$400 (if married and filing a joint return) of your state income tax to benefit children in their school! Current legislation allows you to contribute this money to public schools for extracurricular activities. You may then deduct 100 percent of the credit amount directly from your Arizona State income tax. Only one credit of \$200 or \$400 is allowed per tax return. Please understand that this is a tax credit, not a deduction. The credit is given against your total income tax liability.

These tax dollars may be used for school-sponsored extra-curricular activities that will supplement our school programs and enhance classroom learning. These activities help develop qualities of leadership, team play, and cooperation.

We heartily thank all of you who take advantage of the tax credit each year. We greatly appreciate your contributions to our schools. We value our parents and community and appreciate your continued support. We invite all of you to support our school this year with your contribution.

Simply complete the form below and return it with your check, cash or money order payable to Learning Foundation and Performing Arts or LFPA. If you need additional information, please contact the district office at (480) 635-1900.
