

## Welcome to Learning Foundation Preschool

Meet Ms. Michelle.

A pre-k teacher at Learning Foundation Since 2003, she has four beautiful daughters and a grandson and enjoys teaching and watching the children grow. She encourages all the students to become great leaders and has had the pleasure of teaching many children and their siblings. Ms. Michelle guides the children to explore and learn together as she strives to fill each day with laughter and a new learning adventure.

Meet Ms. Jazzy.

Ms. Jazzy has been a teacher in our preschool at Learning Foundation with Ms. Michelle for over two years. She is a high school graduate of Learning Foundation and Performing Arts and returned to LFPA to work as an elementary classroom aide before joining Ms. Michelle in preschool. Ms. Jazzy received her preschool training certificate and is enjoying teaching and preparing children for continuing education.
