

# WELCOME

**Welcome to Preschool. My name is Ms. Michelle and I've been lead teacher at Learning Foundation Preschool since 2004. I've enjoyed teaching and watching our youngest learners shine brightly in our classroom.**

**I encourage all the students to become great leaders. I hope to gain your trust as we embark on a new journey this year and work together in teaching your child to reach for the stars and become great leaders. We will explore and learn together as a class. Each day will be filled with laughter, love and a new learning adventure.**

**I have four beautiful daughters and two grandson's whom I love very much. I have lived in Arizona for 28 years and call it my home. My hobbies include singing, dancing, watching musicals, and making crafts**
